ABOUT THE CONFERENCE

This Conference on Emerging trends in Pharmaceutical Sciences is unique. It has been planned and expected that the key issue will be addressed by leading experts from the respective fields. Since there will be enough participation from experts from industry and leading academicians from the country. I am sure that this seminar will provide a good platform to exchange ideas thus reaching an appropriate conclusion for defining the future growth of healthcare and role of pharmacists in the health care chain.

The aim of the conference is to update the participants with the newest knowledge and Know-how in diverse areas through meaningful parleys and discussions on the emerging paradigms in pharmaceutical sciences. The conference would bring together the key speakers hailing from various domains of Pharma sector like drug industry, academia, research, entrepreneurial ventures, regulatory affairs and soft skill management.

ABOUT THE KCIPS AND THE TRUST RUNNING IT

The genesis of KC Institute of Pharmaceutical Science is to ascribed to KC Educational & Social Welfare Society. The Society has always moved forward from the time to time and under its supervision numerous institutions are running at Nawanshahar (Punjab) and Pandoga (H.P.).

The society is imparting education in the field of Pharmacy, Engineering & Technology, Education, Management, Hotel Management and many other disciplines at Post graduate, Graduate & Diploma levels. The society is also running KC Public School affiliated to CBSE, New Delhi. More than 13,000 students are getting quality education in different institutions under the umbrella of society. The group is poised to grow in the coming years with the addition of courses like Nursing, Mass Communication & Journalism, Animation and Film Production & Direction, etc.

KC Institute of Pharmaceutical Science, a promising Pharmacy Institute was established in 2010 at Pandoga (HP) with degree and diploma courses in Pharmacy and has ambitious plan to start a Post graduate Courses (M.Pharm) in 2015. The college is recognized by All India Council of Technical Education (AICTE), approved by PCI and is affiliated to Himachal Pradesh Technical University., Hamirpur. From the very beginning, the college is following the version of the Society i.e. providing quality education at an affordable cost. Three National level Conferences were held in this Institute in various Pharmacy fields like Herbal Standardization, Herbal Technology and Nanotechnology. Till today three batches of 2 years D.Pharmacy courses and one batch of 4 years B.Pharmacy course has been passed out and most of the students are placed in good companies and in various other positions.
